

## Birthday Bags

Need 8 of the same item or similar, can be different color or style but very similar item for boys and girls ages 7-12. We know that is a wide range of toy ages, so as long as you purchase 8 of a certain age group, we can pack the birthday bags for that cabin group. Please assure all items not on this list are inspected for safety to be injury-free. We do not encourage expensive items or gift cards that would need to be monitored throughout the week. If toys will need batteries, please include. We would like full bags but not excessive. If you need to make purchases to even items out or add to bags, we will fully reimburse those items not donated. Thank you for this effort as it is a big highlight of the week for the kids!

### Girls:

Light up toys  
Swim goggles  
Portable games  
Hacky Sacks  
Other small games, toys, puzzle

**And most of all your great ideas!**

### Boys:

**And most of all your great ideas!**

### For all of our campers:

Personal notes and happy birthday cards. We would love to have A LOT of wonderful birthday cards for our campers. They can be generic in the sense that you won't know the boy or girl's name, but they can be as specific and thoughtful as possible:

- Use Bible verses
- Ask how the water is, fishing is, are they enjoying chapel?
- What is their favorite meal?
- Wish them well in school, encourage them to do their best.
