

Midland Free Election Week PRAYER FOCUS

MONDAY, NOVEMBER 2

Pray for Covid Pandemic

Dear Lord, we lift up our concern for people who are more likely than others to become severely ill from COVID-19 — the elderly and people with chronic health conditions. Protect them from harm and be their comfort in this time of uncertainty and, for many, preventive isolation from loved ones. Be with those we know who are infected with this virus. Help them to recover well. Give knowledge and wisdom to our health workers and scientific researchers. Be with families and workers and our own church leaders who are doing their best to deal with the ramifications of living safely in this pandemic. We thank you for your mercy and tender care. In Jesus' name, AMEN.
